

Transfer Pricing Associates Releases Prototype of Vantage Transfer Pricing Software

Amsterdam, June 2009 – Transfer Pricing Associates, the leading independent provider of global transfer pricing and valuation services, is proud to announce that the prototype of Vantage, the firm's transfer pricing software solution is now available for demonstration.

Vantage, scheduled for release in the second quarter of 2010, offers a complete in-house transfer pricing compliance software package for multinationals to manage their transfer pricing documentation. In-house professionals can use the Vantage software to satisfy transfer pricing documentation requirements in most tax jurisdictions worldwide utilising the latest practices in transfer pricing. Integral to achieving this goal is an unprecedented level of technical transfer pricing support offered to initially train and then continually support your staff on transfer pricing topics, offered by Transfer Pricing Associates' own professionals and eLearning facility.

Together these elements will combine to provide the most efficient and structured transfer pricing compliance software package on the market today.

Vantage will offer the following unique benefits:

- ✓ Significantly reduces production time for a masterfile
- ✓ Reduces the cost of external Transfer Pricing consultants
- ✓ Significantly reduces global Transfer Pricing risks
- ✓ Compatibility with your existing best practices and masterfiles
- ✓ Assurance of global consistency and quality in all relevant transfer pricing documents produced

For more details, please refer to the new website, <http://vantage.tpa-global.com> for:

- Information about Vantage and what it will deliver for you
- News about future developments to the software
- Details of our comprehensive after-sales package
